Description

The MS1 series of Magnetic Stirrers are available with either an LED keypad or LCD touchpad control. The rotating magnetic field of these stirrers is generated by a wear-free magnetic driver with no moving parts for a reliable, durable, and maintenance-free operation. Each stirrer has a wide range of speed and magnetic strengths which are adjustable to meet the demands of stirring solutions with different volumes and viscosities.

Features

- ☐ Elegant design with digital control and display;
- ☐ Motorless driven mechanism for quiet and maintenance-free operation;
- ☐ Five power levels for mixing liquids with high viscosities;
- ☐ Constructed of corrosive resistant materials for easy clean-up and long operational life.

Accessories	Stir Bar Retrievers	Stirrer Bar	Stirrer Bar	Stirrer Bar
	Ø7x300 Pack of 1	Ø8x50 Pack of 1	Ø10x40 Pack of 1	Ø12x80 Pack of 1
Part. No.	MSA01	MSA02	MSA03	MSA04

Specifications

Model	MS-01U (Previous Model MS1-P1A)	MS-01TU (Previous Model MS1-P1TA)
Product Name	Key Pad Magnetic Stirrer	Touch- Pad Magnetic Stirrer
Stirring Speed	80~2000rpm	
Speed Resolution	10rpm	
Operating Temperature	5°C~40°C	
Display Screen	LED	LCD
Number of Stirring Positions	1	
Included Accessory	Ø12x30mm Stirrer Bar	
Maximum Capacity	2000ml	
Dimensions	160x200x48mm	
Platform Dimensions	140x140mm	
Color	Off White	
Power	24W	
Weight	1Kg	
Power Supply	AC100~240V / 50Hz~60Hz
